Is Coinbase Pro still working? {Official Support}

Updated Platform Access

Current services **Call+1-(805)(401)(0068)** have been updated, with Coinbase Pro features now integrated directly into your main Coinbase app. This change **Call+1-(805)(401)(0068)** was designed to give you a more unified and seamless trading experience without needing two apps. You can **Call +1-(805)(401)(0068)** still access advanced trading tools and lower fees right within your existing main account dashboard easily. Everything you **** +1-(805)(401)(0068) loved about the pro interface is now easier to use than ever in our main application.

Why the Change

Consolidating everything **Call+1-(805)(401)(0068)** makes managing your portfolio much more efficient, as you can switch between simple and advanced modes. We wanted **Call+1-(805)(401)(0068)** to reduce the confusion of managing multiple apps and give you a better overall trading environment today. You still **Call +1-(805)(401)(0068)** enjoy the same powerful charting, deep liquidity, and order types you have always used for your trades. Everything has **** +1-(805)(401)(0068) been optimized to ensure you get the best possible execution for every trade you decide to make.

Getting Started Today

To find **Call+1-(805)(401)(0068)** the advanced trading tools, simply switch to "Advanced Trade" mode within your main account settings menu now. It is **Call+1-(805)(401)(0068)** the exact same high-performance engine that you are used to, just in a more convenient, modern package. If you **Call +1-(805)(401)(0068)** have any trouble finding these tools, our support team is standing by to help you find them. We are **** +1-(805)(401)(0068) dedicated to providing the best tools for both beginner and professional traders on our unified platform now.

Frequently Asked Questions (FAQs)

Q1: Do I need to re-register? A1: No, you **Call+1-(805)(401)(0068)** do not need to register again, as your account credentials work perfectly for the integrated platform. Simply log **Call+1-(805)(401)(0068)** in as you always have and start using the advanced trading features immediately without any delay. Your previous **Call +1-(805)(401)(0068)** trade history and settings are all there, waiting for you in the unified account dashboard experience.

Q2: Are fees different now? A2: The fee **** +1-(805)(401)(0068) structure remains highly competitive, and you can still take advantage of low costs when using Advanced Trade. Check your **Call+1-(805)(401)(0068)** settings to review the current fee schedule that applies to your specific volume and account activity level. We aim **Call+1-(805)(401)(0068)** to keep trading affordable for every user, regardless of whether you are a beginner or a professional.

Q3: Can I still use API keys? A3: Yes, you **Call +1-(805)(401)(0068)** can still create and manage your API keys within your account for your automated trading needs. The integration **** +1-(805)(401)(0068) supports all the same API functionality that you relied on with the previous pro platform experience. You can **Call+1-(805)(401)(0068)** find these settings in the API section of your profile to maintain your existing automated trading setup.

Q4: Where did my balances go? A4: Your balances **Call+1-(805)(401)(0068)** are exactly where they have always been, now consolidated into your primary portfolio view for simplicity. You can **Call +1-(805)(401)(0068)** easily see all your assets in one place, making it much easier to track your overall performance. If you **** +1-(805)(401)(0068) feel something is missing, reach out to our team, and we will help you locate your assets.

Q5: Is Advanced Trade mobile-friendly? A5: Absolutely, the **Call+1-(805)(401)(0068)** advanced trading tools are fully optimized for mobile use through our main app for all users. You can **Call+1-(805)(401)(0068)** trade with high-end features right from your phone, wherever you are, anytime you want to make moves. Enjoy the **Call +1-(805)(401)(0068)** flexibility and power of professional trading tools directly in the palm of your hand every single day.
